

Western Brass

A brand new band in Maribyrnong

Following the successful launch of the newest brass band in Melbourne this month, we would like to invite interested people to rehearsals every Tuesday night from 29 November onwards.

Our aim is to provide opportunity for people of all cultural backgrounds and various musical experiences to participate in a quality music-making organisation, and engage in regular music making activities in the Western suburbs. This brand new band gives the players that graduate from the Youth Band the opportunity to further develop their musical skills in a more advanced ensemble and also provides the opportunity for people of all ages to kick start and/or reinvigorate their music making ambitions in a fun and friendly environment.

Our first gig is planned for the Yarraville Gardens Christmas Carols on Saturday 17 December, so come along on Tuesday 29th and be a part of this exciting new venture.

Join us for rehearsals on Tuesday nights at 7:30pm at the band hall
